### ***Dr. Baker's Individual & Family Dental Savings Plan***

We understand that many individuals and families are currently without dental insurance. We have a plan that was designed to provide you with quality dental care, while saving you money. Dr. Baker's Individual & Family Dental Plan allows you to use your benefit immediately upon completing a simple enrollment form in our office.

We offer plans as follows:

<b>Individual Plan</b>	<b>\$299.00 annually</b>
<b>Each Dependent</b>	<b>\$170.00 annually</b>

Each individual will receive:

2 Exams  
2 Dental Cleanings  
4 Bite-Wing X-Rays

\*Annual savings up to \$211.00 for preventive care per individual!

\*Check or cash only. Credit cards not accepted

\*All payments are due at the time of service. This plan may not be used with insurance plans, credit plans or other special offers.

Our individual & family dental savings plan also includes a saving of 10% on most dental services including:

Full Mouth X-Rays

\*required on initial visit for patients 16 and over & every 3-5 years

Sealants

Fluoride Treatment

Periodontal Treatment

\*deep cleanings or non-surgical gum treatments

Fillings

Crowns

Veneers

Bridges

Dentures and Partials

Endodontic Procedures (root canal treatments)

Oral Surgery

Cosmetic Whitening

Does not apply to implant services or services provided by a specialist if you are referred.

Patients using this plan must provide a 24 hour notice for any broken appointments. Failure to do so twice will result in cancellation of the membership without refund of the membership fee.

If a referral to a specialist is required, this plan does not apply to those services. This plan applies only to services provided in our office.
