

10 Year Warranty on Crowns & Implants

We truly appreciate your confidence in us. As a token of our appreciation we provide a complimentary **10 warranty on ANY porcelain restoration** placed at Pinecrest Dental (ie crowns, bridges, porcelain veneers & implant crowns). If your porcelain restoration cracks, chips or breaks, we will replace or repair it at **no out of pocket expense** to you. All we ask is you come to see us every 6 months for an exam and cleaning in return. We want your restorations and teeth to last for years, and to keep your out of pocket expenses to a minimum.

* Restrictions: External or internal conditions, such as cases when a tooth requires additional treatment (i.e. Root Canal treatment, dental implant, or a root surface filling) the porcelain is covered under warranty but expenses for additional treatment may apply

* Warranty Void: If 6 month checkups are not maintained the warranty is void at the sole discretion of Pinecrest Dental, or if intentional neglect or abuse is observed by provider(s) at Pinecrest Dental. Offer subject to change without written notice.
