

I am proud to now be apart of the Riversbend Dental family and I look forward to meeting the loyal patients that have contributed to making Riversbend Dental such a unique, special place. I sincerely appreciate your support during this transitional period and I promise to make the transition as smooth as possible.

I had the pleasure of working with Dr. Maag at West Chester Dental and understand the type of treatment you're used to under his care. You will find that I am similar in my approach with patients and will continue to provide you with the high standard of dental care that you have grown to expect. My main goal is to educate patients, while developing relationships and providing high quality dentistry in a comfortable, relaxing environment.

Sincerely,

Brandon W. Romick, DMD

Biography:

Dr. Romick, a native of Evansville, Indiana, did his undergraduate work at Indiana University. After graduating from Indiana with a BA in Biology, Dr. Romick went on to attend Tufts University School of Dental Medicine. After graduating, he traveled to Idaho participating in an Advanced Training Residency in General Dentistry where he received training in all areas of General Dentistry including endodontics, implants and surgery. Following his residency, Dr. Romick worked in private practice until he decided to move to Cincinnati to be closer to his family. Dr. Romick has worked at a family practice in Mt. Lookout for the past nine years before purchasing Riversbend Dental.

Dr. Romick is a member of the Cincinnati Dental Society, Ohio Dental Association, the American Dental Association, and the Seattle Study Club. He is an instructor at the UC Hospital Advanced Education in General Dentistry Program. He is also a Clinical Instructor for the Anesthesia course at The Raymond Walters School of Dental Hygiene.

Dr. Romick's hobbies include: reading, boating, traveling and spending time with his family. He enjoys traveling to the beautiful Northwest where he enjoys two of his passions: skiing and fly-fishing.
